

MEMBERSHIP

First Packaging Asia will facilitate the process of education and training for the packaging industry. Primary goal is to provide a platform for players in the Indonesian packaging industry to network, learn and exchange ideas. We arrange monthly seminars for flexible packaging, label, folding carton as well as corrugated industry.

WHO SHOULD JOIN OUR PACKAGING CENTRE :

- New to packaging and need a broad introduction
- A manager who needs a wider view of packaging
- A sales rep who wants to expand your technical background
- A packaging professional changing your focus who needs to come “up to speed” in a new area of packaging
- A purchasing professional who needs more technical depth
